STITHIANS SHOW 2024

PROVISIONAL PLAN

5 4 3 2 1 A B C D E F G

Stithians Agricultural Association Ltd

Company registered in England 7585178

Charity No. 1141715

Health & Safety Policy

Health and Safety at Work etc. Act 1974

The Management of Health and Safety at Work Regulations 1999

GENERAL STATEMENT OF POLICY

We commit to operating the Association in accordance with the Health and Safety at Work Act 1974 and all applicable legislation made under the Act 'So far as is reasonably practicable'. Our policy is to ensure that the Show is operated in a safe manner for all our employees, volunteers and the general public, and to provide such information, training and supervision as is needed for this purpose. The Association has an Event Safety Management Plan in place which covers all aspects of the operation of the Show and is available from the Show Office.

We also accept our responsibility for the health and safety of other people who may be affected by our activities. The Association acknowledges that the Show is likely to attract those who may be vulnerable and will consider them in their risk assessment of the event.

The Board of Trustees acknowledge that Health and Safety responsibilities within the Association are of equal importance as other priorities and will ensure resources are available to manage Health and Safety. Although the Board of Trustees accept responsibility for the implementation of the Plan, it relies on individual employees/volunteers to accept their own duty and responsibility to themselves, fellow workers and others who might be injured/affected by their acts or omissions.

The Plan will be kept up to date, and appropriate to the Association's activities. To ensure this, the Plan will be monitored and reviewed every year or more frequently if required.

SAFETY INFORMATION AND GUIDANCE

All Exhibitors must comply with the Health and Safety at Work Act 1974 and all relevant legislation and guidance. Animal exhibitors must also comply with the Animal Welfare Act 2018 and any relevant codes of practice, guidance, etc. provided by the relevant governing body organisations. Further safety information is contained within the Stithians Show Health and Safety Manual which is made available to those exhibiting at the Show.

SHOW SECURITY

The Association's appointed security contractor will provide night cover between 19:00 and 07:00 from the Monday before the Show and then 24/7 from 07:00 on the Sunday until 07:00 on the Tuesday after the Show. The Association will not be responsible for the safe custody of any article brought for exhibition, nor will they be liable for any loss or damage that may occur to any article. It is the exhibitors' responsibility to ensure they have adequately insured their stock and equipment whilst on site and to report any suspicious behaviour to the Security Team.

FIRE SAFETY

All catering outlets and trade stands must assess the risk of fire. Where an ignition source is identified, or where hot works or cooking is carried out on the stand then suitable firefighting and prevention measures must be put in place. BBQs are not permitted on the Showground.

FIRST AID/MEDICAL

All accidents/incidents and near misses must be reported to the Show's Health and Safety Advisor who is contactable by radio or via the Show Office.

GAS SAFETY

Any fixed installation gas equipment (cookers, pipework, valves etc.) must comply with the provisions of the Gas Safety (Installation and Use) Regulations 1998. All catering vans / marquees with gas installation MUST have a Gas Safety Certificate issued by a competent Gas Safe Engineer and dated within the last 12 months. A copy of the certificate MUST BE provided to the organisers prior to entry to the event. Crimped connection fittings must be used rather than jubilee clips. Further information can be found on the Nationwide Caterers Association website The Gas Safety Checklist - The Do's and Don'ts - NCASS
